

ENGINE PRO BRAND PRODUCTS

The Engine Pro Performance product line includes a broad array of performance products designed and engineered to exceed your customers' expectations. Our products are manufactured to exacting standards using state-of-the-art technology and processes to ensure reliable performance and great value. The Engine Pro Performance product line provides a wide variety of choices, accommodating the varied performance needs and budgets of your customers from the budget minded enthusiast to the all-out racer. Engine Pro is committed to being a leader in performance engine parts, and we thank you for your support. When it comes to performance, you will find it pays to know a pro... Engine Pro.

Replacement Balancers *by Engine Pro*

- Bonded dampening rubber, NOT press inserted. Bonded dampening rubber is several times stronger as validated in push apart and torque tests
- Our nodular iron cast hubs resist cracking vs. grey iron castings
- Dynamically balanced at the factory
- Attractively priced
